

Board of Directors

Dr. Alan B. Grindal: Educational Services Standing Committee Chair and a Director since 2005.

Dr. Grindal graduated from Northwestern University with a B.A. and received his M.D. from the University of Illinois. His neurology training was completed at the Medical College of Virginia where he served as a faculty member. Dr. Grindal has been in the private practice of neurology in Sarasota Florida since 1978. He has been chosen by his peers to be among The Best Doctors in America and honored with a Fellowship in the America Academy of Neurology. Currently he serves as a neurological consultant to the Memory Disorder Clinic at Sarasota Memorial Hospital and as a Clinical Assistant Professor at Florida State University.
