

Board of Directors

Jan Peter Skalny: Outreach Committee Chair and a Director since 2009.

Jan received an MS in chemical engineering in 1958 from the Chemical-Technological University, Prague and in 1965 was awarded a PhD in materials/ceramic engineering from the University of Mining and Metallurgy in Krakow.

After an early academic career in former Czechoslovakia and post-doctorate fellowships in Great Britain and at Clarkson University, NY, he settled in the United States where he worked in research and research management, among others for Martin Marietta and W.R. Grace corporations.
